What is FINOS?

The Fintech Open Source Foundation (FINOS) is an independent, non-profit membership organization whose purpose is to accelerate collaboration and innovation in financial services through the adoption of Open Source software, standards and best practices.
The Fintech Open Source Foundation (FINOS) is an independent, non-profit membership organization whose purpose is to accelerate collaboration and innovation in financial services through the adoption of Open Source software, standards and best practices.

Over 45 member organizations and 300+ contributors collaborate to develop software, deliver standards and drive collaboration in the open.

FINOS also runs an Open Source Readiness initiative to help financial firms adopt best-practice policies, processes, and technology for open source compliance.

FINOS co-hosts the Open Source Strategy Forum with the Linux Foundation, the only Open Source conference solely focused on financial services and regulated industries.
Membership benefits and tiers

Contribute to accelerating open source in Financial Services
How FINOS Delivers Value to its Members

FINOS members are essential to the success of the Foundation and are instrumental in steering the direction of open source in financial services. Our Members benefit from:

Access and network
Access the Financial Services developer and decision maker community

Standardization
Work with financial services customers once (in the open) instead of building customizations for every customer

OS Commoditization
Disrupt a locked-in industry through Open Source commoditization and open core models

Compliance-as-code
Collaborate with industry leaders - and increasingly with regulators - to build compliance-as-code implementations

Cut technology TCO
Mutualize cost on vast amount of non-differentiating financial services technology

Governance & Legal
Leverage FINOS governance and legal support enabling banks to safely collaborate in the open

Flexibility & Interoperability
Achieve interoperability with other vendors by driving standards and reduce concerns for vendor lock-in

Talent acquisition and retention
Lead in the open source space, enabling your developers to participate in open source projects and attracting top talent

First-mover
Position your technology as part of the reference architecture for fintech OSS. Only FINOS Members can propose new Projects.

Embrace a modern development workflow
Use and learn from the FINOS Open Developer Platform

FINOS Associate Membership Overview

Associate membership is a “lightweight”, free membership tier:

- **Who is it for?**
  - Non-profits - (c)(6) and/or (c)(3)
  - Government organization and regulatory bodies
  - Other (non-profit) open source organizations/associations
  - Academic institutions

- **What are the benefits and privileges?**
  - ✓ Free attendance at FINOS events
  - ✓ Attendance at FINOS Member meeting
  - ✓ Participation in member-only discussions & Formation Projects
  - ✓ Inclusion of logo on FINOS website and marketing materials
  - ✗ No Board seats/ Voting rights (reserved for “full”, paid members)

(*) Per Section 2.5 of FINOS charter: “The Associate Member category of membership is limited to Associate Members of The Linux Foundation. The Governing Board may set additional criteria for joining the Directed Fund as an Associate Member. If the Associate Member is a membership organization, Associate Membership in the Directed Fund does not confer any benefits or rights to the members of the Associate Member.”
Linux Foundation Membership Benefits

All FINOS members must also become members of the Linux Foundation at any tier (more information here). Some of the benefits your organization can take advantage of by being an LF member include:

**LEGAL**
- **Conferences.** Join exclusive legal conferences including the annual [LF Legal Summit](https://www.linuxfoundation.org/events/legal-summit) and [LF Open Compliance Summit](https://www.linuxfoundation.org/events/open-compliance-summit), and access the bimonthly legal counsel calls.
- **Ad-hoc support.** Engage with our open source compliance experts for ad hoc discussions ranging from potential new projects to internal program office structures and processes.

**EVENTS**
- **Discounts** for [Linux Foundation Events](https://www.linuxfoundation.org/events).
- **Access** to exclusive, member-only events like the [LF member summit](https://www.linuxfoundation.org/events).

**TRAINING**
- **Discounts.** Access discounted LF Training & Certification offerings. Check out the LF Course Catalog and use the quote tool to obtain your discounts.

**MARKETING**
- **Lead** sponsored webinars.
- **Participate** in articles and press releases.

**INSIGHTS**
- **Leverage LFX Insights** to validate projects for investment, and track the activity and growth of projects you’re already involved in.
- **Gain visibility** on your project’s code pipeline and performance metrics. Ensure the health & viability of the open source projects you care about.
- **Showcase your organization’s leadership** and subject matter expertise in the open source community.

**STRATEGIC GUIDANCE**
- **Best Practices.** Opportunity for your open source program office to participate in the [TODO Group](https://todogroup.org) and [Open Source Security Foundation (OpenSSF)](https://openSSF.org).
- **Introductions** to other Linux Foundation members and hosted projects of interest to expand business opportunities.

For more information, see the [Linux Foundation Member Benefits](https://www.linuxfoundation.org/membership).

**Member Success Stories**

**Goldman Sachs: Legend**
Ahead of the Open Sourcing of Legend, FINOS set up a neutral Legend instance to run a pilot project with ~40 individual participants from Goldman Sachs, Deutsche Bank, Itau, RBC Capital Markets, Morgan Stanley, Gitlab and ISDA, among others.

**EPAM Glue**
Ahead of the open sourcing of GLUE from our Silver Member EPAM, we ran a webinar and podcast and introduced the team to several buy-side firms.

**Morgan Stanley: Morphir**
Ahead of the contribution of Morphir into FINOS, we socialized the project with the FINOS community and organized a live demo with 22 participants from member firms.
