

Member Benefits

FINOS, its members, and wider community are accelerating open source in financial services. We bring together the individuals and companies who are committed to delivering software and standards that address common industry challenges and drive innovation.

FINOS members are essential to the success of this mission and are instrumental in steering the direction of open source in financial services. We strive to ensure that our members, at all levels, enjoy a range of benefits as part of their membership.

FINOS delivers value

FINOS Members are a critical part of our community and the FINOS team and wider community work tirelessly to ensure that our members can realize the benefits of open source.

<p>Access and Network</p> <p>Access the financial services developer and decision maker community</p>	<p>Standardization</p> <p>Work with financial services customers once (in the open) instead of building customizations for every customer</p>	<p>OS Commoditization</p> <p>Disrupt a locked-in industry through open source commoditization and open core models</p>	<p>Compliance-as-Code</p> <p>Collaborate with industry leaders - and increasingly with regulators - to build compliance-as-code implementations</p>	<p>Cut Technology TCO</p> <p>Mutualize cost on vast amount of non-differentiating financial services technology</p>
<p>Governance & Legal</p> <p>Leverage FINOS governance and legal support enabling banks to safely collaborate in the open</p>	<p>Flexibility & Interoperability</p> <p>Achieve interoperability with other vendors by driving standards and reduce concerns for vendor lock-in</p>	<p>Talent Acquisition and Retention</p> <p>Lead in the open source space, enabling your developers to participate in open source projects and attracting top talent</p>	<p>First-mover</p> <p>Position your technology as part of the reference architecture for fintech OSS</p>	<p>Embrace a Modern Development Workflow</p> <p>Use and learn from the FINOS Open Developer Platform</p>

Delivering specific benefits

We are grateful for all of the contributions our member firms make to the Foundation - we wouldn't exist without them. We also want to make sure that we are providing appropriate levels of support and benefits to all of our member tiers and so we've recently rolled out these guidelines on FINOS member benefits.

Brand and Networking
