

FINOS

Fintech
Open Source
Foundation

Foundation Membership

Corporate members benefit from additional support, services and influence over the direction of the Foundation. We work closely with our members to help them maximize value from all stages of engagement with FINOS and the Open Source Community, taking an integrated approach to achieving success across all FINOS programs.

Membership Benefits

These are the benefits available to all corporate members of FINOS:

Propose new programs to be hosted by the Foundation	Get access to member-only resources, including networking events, surveys and whitepapers	Work with our Member Success team to achieve your open source goals	Get priority access to all FINOS events—free for all your employees
---	---	---	---
